- (g) All communications between a Power+ Partner and the Promoter will be managed through the website and via email unless the Promoter, in its complete discretion decides otherwise.

## 5. Registering a Claim on-line

- (a) Visit [www.mhiaapowerplus.com](http://www.mhiaapowerplus.com) to register a consumer sale, follow the links to the Claim Form and complete and submit the Claim Form by:
  - Submitting all details as required by the Promoter, including but not limited to, Eligible Product details including model and outdoor unit serial numbers, installation post code, sale date, installation date and upload a copy of the consumer tax invoice.
- (b) All OUTDOOR SERIAL NUMBERS on all units and INDOOR SERIAL NUMBERS on selected units will be validated against the Promoter's company records, If the serial number does not match, a further investigation will take place. A Power+ Partner may be required to submit further documentation to validate these serial numbers. i.e. photo of the compliance plate. Accordingly, the Power+ Partner should take a picture of the compliance plate upon installation of the Product. Photographs of the boxes or packaging materials as proof of purchase will not be accepted. A physical image of the unit and the serial number is required.
- (c) If the serial number has already been claimed by another Power+ Partner, both Power+ Partners claims will be under investigation by the Promoter.
- (d) All Power+ Partners must retain a copy of the consumer tax invoice for all claims as proof of purchase and/or installation. Failure to produce the proof of purchase and/or installation for all claims when requested may, in the absolute discretion of the Promoter, result in invalidation of ALL of a Power+ Partner's claims and forfeiture of any right to a Reward. Consumer tax invoices must clearly specify the model and serial number of the Eligible Product.
- (e) The Promoter may also request the Power+ Partner provide the INDOOR SERIAL NUMBER for validation to ensure that the indoor unit corresponds to the appropriate outdoor unit as listed in the Schedule. In the event that the indoor unit does not correspond to the relevant outdoor unit in the Schedule, the unit combination is **not** an Eligible Product and therefore the claim will be deemed invalid.  
**NOTE: CONSUMER PERSONAL DETAILS EXCEPT POSTCODE MUST BE BLACKED OUT.**
- (f) Each consumer sale can only be registered once regardless of how many Eligible Products are purchased and/or installed on one consumer tax invoice. Any consumer sales registered more than once will be deemed invalid.
- (g) All Claim Forms must be received by the Promoter by the end of the Final Claim Date. Claim Forms are deemed to have been received at the time of receipt into the database and not at the time of transmission by the entrant.
- (h) Once submitted, entrants cannot change, alter or delete their Claim Form.

- (i) Incomplete and ineligible Claim Forms will be deemed invalid. Claim Forms will also be deemed invalid if they breach these Terms and Conditions as determined by the Promoter in its absolute discretion or any other instructions or guidelines notified by the Promoter during the claims process for the Campaign.
- (j) The Power+ Partner is responsible for all costs associated with entering this Campaign
- (k) The Promoter may, at any time, request additional information, including but not limited to photographs of the unit, supplier invoices or proof of purchases to verify each claim.
- (l) The Power+ partner must provide the additional documents by the date specified by the Promoter or the claim will be declined.
- (m) Any claims or invoices supplied outside of the Supply & Install Period will automatically be declined.

- (c) Power+ Partners can make a claim any time during any Claim Period but before the Final Claim Date, however, Rewards can only be redeemed during the Redemption Payout Periods stipulated above.
- (d) If a Power+ Partner misses a Redemption Payout Period, their sales and/or installations will roll over to the next payout period and the Power+ Partner can continue to accumulate. The final Redemption Payout Period closes on the Final Redemption Date.
- (e) The Power+ Partner will receive a notification email inviting them to redeem their Reward on-line during the applicable Redemption Payout Period.
- (f) Rewards can only be redeemed by way of electronic funds transfer.

- (i) The Promoter will have all claims validated before the final Redemption Payout Period. For any claims that require additional information, the Power+ Partner must provide these details before the final Redemption Payout Period begins or the claim will be invalid.

## 7. Security

- (a) At the time of registration, Power+ Partners will be given a login ID and password (“**Login Details**”) which they can use to access the website and manage their account details. Power+ Partners are solely responsible for the security of their Login Details.
- (b) The Promoter is entitled to act on any instructions delivered through the on-line portal if the Power+ Partner’s Login Details are correctly entered. This includes where someone purporting to be that Power+ Partner logs in using the Login Details.
- (c) Power+ Partners must not disclose Login Details to anyone. The Promoter is not responsible for transactions that have taken place without the authority of the Power+ Partner, where the correct Login Details have been used.
- (d) If a Power+ Partner knows, or suspects that a third party has their Login Details, they should change their password immediately through the on-line portal and contact the Promoter.

## 8. Promoter's Rights

- (a) The Promoter reserves the right, at any time, to verify the validity of entries and entrants (including an entrant's identity, age and place of residence) and to disqualify any Power+ Partner who submits an entry that is not in accordance with these Terms and Conditions or who tampers with the entry process. Errors and omissions may be accepted at the Promoter's discretion. Failure by the Promoter to enforce any of its rights at any stage does not constitute a waiver of those rights.
- (b) The Promoter reserves the right to remove or add products to the list of Eligible Products and will provide notice to all Power+ Partners via email at least one month prior to the addition of any products or removal of any products from the Campaign.
- (c) If this Campaign is interfered with in any way or is not capable of being conducted as reasonably anticipated due to any reason beyond the reasonable control of the Promoter, including but not limited to technical difficulties, unauthorised intervention or fraud, the Promoter reserves the right, in its sole discretion, to the fullest extent permitted by law:
  - (i) To disqualify any entrant; or
  - (ii) Subject to any written directions from a regulatory authority, to modify, suspend, terminate or cancel the Campaign, as appropriate.
- (d) The Promoter collects personal information in order to conduct the Campaign and may, for this purpose, disclose such information to third parties including but not limited to agents, employees and service providers assisting with this Campaign. Participation in the Campaign is conditional on providing this information. The Promoter will keep the personal information of Power+ Partners for only as long as is necessary to carry out the purpose(s) described above (unless we are required or permitted by law to hold the information for a longer period). The Promoter may, if the Power+ Partner has opted in on the entry form, and, unless otherwise advised, use the information for promotional, marketing, publicity, research and profiling purposes, including sending electronic messages or telephoning the entrant in accordance with the Promoter's privacy policy at:  
<https://mhiaa.com.au/privacy-policy-terms-of-use/>  
Power+ Partners should direct any request to access, update, correct information or opt out to the Promoter.
- (e) All entries become the property of the Promoter.
- (f) The Promoter's decisions in connection with the Campaign are final and no correspondence will be entered into.
- (g) The Promoter accepts no responsibility for any tax implications that may arise from the Reward winnings. Independent financial advice should be sought.
- (h) Power+ Partners may be required to provide proof of identity, proof of age and proof of residency to verify their entry. Identification considered suitable for verification is at the Promoter's discretion and retain their delivery invoice to demonstrate their proof of purchase to the Promoter to verify that the relevant reward should be awarded. If any Power+ Partner fails to provide proof of identity and/or proof of purchase by the time and date stipulated by the Promoter, their entry/Reward claim will be deemed invalid at the Promoter's discretion.

## 9. No Liability of the Promoter

- (a) In the case of the intervention of any outside act, agent or event which prevents or significantly hinders the Promoters' ability to proceed with the Program on the dates and in the manner described in these terms and conditions, including but not limited to state of emergency, pandemic, vandalism, power failures, tempests, natural disasters, acts of God, civil unrest, strike, war, act of terrorism, the Promoters may in their absolute discretion cancel the Campaign and recommence it from the start on the same conditions, subject to state government legislation.
- (b) Nothing in these Terms and Conditions limits, excludes or modifies or purports to limit, exclude or modify the statutory consumer guarantees as provided under the Competition and Consumer Act, as well as any other implied warranties under the ASIC Act or similar consumer protection laws in the States and Territories of Australia ("**Non-Excludable Guarantees**").
- (c) Except for any liability that cannot by law be excluded, including the Non-Excludable Guarantees, the Promoter (including its respective officers, employees and agents) is not responsible for and excludes all liability (including negligence), for any personal injury or any loss or damage (including loss of opportunity) whether direct, indirect,

- (ii) any theft, unauthorised access or third-party interference;
- (iii) any entry that is late, lost, altered, damaged or misdirected (whether or not after their receipt by the Promoter) due to any reason beyond the reasonable control of the Promoter;
- (iv) any tax liability incurred; or
- (v) the use or enjoyment of a Reward.
